

29 January 1964

MEMORANDUM FOR THE RECORD

1. SUBJECT: PAR 202, [REDACTED], Briefing Print Enlarger
2. REFERENCES: a. [REDACTED] Quarterly Report, [REDACTED]
[REDACTED] Second Quarter Report, FY 64
b. Conference at P&DS, 23 January 1964
3. ACTION REQUIRED: Review design objectives for requirements.
4. ACTION TAKEN: Reorient the design objective to provide the following: continuously variable magnification; increased magnification beyond 40X if feasible, even if it means eliminating some of the lower magnifications; capability of accepting variable contrast paper, perhaps by changing light source; roll paper capability for 20 inch wide by 250 feet, including feed and take-up magazines; integral voltage regulation and adaptable to color printing by substitution of components.
5. COORDINATION: The above requirements were discussed with [REDACTED] and [REDACTED] on 28 January 1964, each of whom concur with the reoriented objectives.
6. COPIES FURNISHED: [REDACTED]
